

Dr Bappa Das

Senior Scientist (Agricultural Physics)

Division of Remote Sensing Applications

ICAR-National Bureau of Soil Survey and Land Use Planning

Nagpur-440033, Maharashtra, India

E-mail: bappa.iari.1989@gmail.com

Dr Bappa Das is working as a senior scientist in Agricultural Physics at the Division of Remote Sensing Applications of the Indian Council of Agricultural Research (ICAR)–National Bureau of Soil Survey and Land Use Planning, Nagpur, Maharashtra. He has received the Agriculture Research Organization Post-Doctoral Fellowship (Israel) and the ICAR Post-Doctoral Fellowship (India). His research interests are largely focused on characterization of abiotic stresses, applications of remote sensing and GIS in agriculture, agrometeorology and climate change. He has been elected as an Associate of the National Academy of Agricultural Sciences (NAAS) and West Bengal Academy of Science & Technology (WAST). He is the recipient of the Indian Agricultural Research Institute (IARI) Gold Medal, P. R. Pisharoty Memorial Award by Indian Society of Remote Sensing, Young Scientist Award from National Academy of Agricultural Sciences (NAAS), Indian Science Congress Association (ISCA), Indian Society for Plant Physiology (ISPP), ICAR-Jawaharlal Nehru Award and the Department of Science and Technology–Early Career Research Award. He has published 130 research papers in national and international journals and has authored 6 books and 16 book chapters. He has an h-index of 34 and an i10-index of 66, with 3300 citations in international literature.
